2.1.1 Due consideration is given to equity and inclusiveness by providing reservation of seats to all categories during the admission process

Preamble

As a recognized and self-governing institution accorded the status of a Deemed to be University by the University Grants Commission (UGC), our commitment to fostering inclusivity and equity in the academic sphere is unwavering. Adhering to the guidelines set by the UGC or the concerned regulatory authority, we uphold the principle of fair access to education for all, including the implementation of reservation policies.

This section presents an overview of the enrollment trends, specifically highlighting the average percentage of filled seats against the reserved categories over the past five years. It reflects our commitment to transparency and compliance with the applicable reservation policies mandated by the UGC or the State Government. This analysis serves to assess our institution's adherence to these vital regulations, ensuring that our academic spaces remain accessible and welcoming to deserving candidates from all sections of society.
