Summary Sheet

Criterion –II- Teaching-Learning and Evaluation

Key Indicator:2.4 Teacher Profile and Quality

2.4.1 Average percentage of fulltime teachers against sanctioned posts during the last five years

Preamble

"PIMSDU is committed to academic excellence depends on the quality and dedication of our teaching faculty. This section aims to provide an overview of the faculty's strength by presenting the average percentage of full-time teachers against sanctioned posts over the last five years.

Recognizing the pivotal role played by our teaching faculty, we place considerable emphasis on maintaining a **robust** faculty composition aligned with the sanctioned positions. This analysis provides insights into the consistency and sufficiency of our faculty members against the prescribed positions over the years.

Our institution values the significance of a competent and engaged faculty in ensuring a high standard of education. This examination of the average percentage of full-time teachers against sanctioned posts over a considerable duration serves as a measure of our commitment to providing a stable and qualified teaching workforce to support our educational objectives."
