## Summary Sheet

### Criterion –II- Teaching-Learning and Evaluation

#### Key Indicator:2.4 Teacher Profile and Quality

##### 2.4.3 Average Teaching experience of full-time teachers in number of years (preceding academic year)

#### Preamble

"At Pravara Institute of Medical Sciences Deemed to be a University, the expertise and proficiency of our teaching faculty play a pivotal role in shaping the academic landscape. This section aims to present the **average teaching experience** of our full-time teachers in terms of the number of years they have devoted to the field of education.

Recognizing the significance of **experienced** and **seasoned educators**, we place considerable emphasis on the collective teaching tenure of our faculty members. This analysis provides an overview of the average teaching experience that our full-time teachers bring to the institution, reflecting their depth of knowledge, pedagogical expertise, and commitment to the field of education.

Our institution values the wealth of experience that our teaching faculty brings to the academic community. This metric serves as an indicator of our commitment to providing students with instruction from educators with significant teaching experience, contributing to a more enriched and comprehensive learning environment."
