Summary Sheet

Criterion –II- Teaching-Learning and Evaluation

Key Indicator:2.5 Evaluation Process and Reforms

2.5.2 The average percentage of student complaints/grievances about evaluation, against the total number of students appeared in the examinations during the last five years

Preamble

"The assessment and evaluation process are crucial components of our academic framework. This section looks into the average percentage of student complaints or grievances related to the evaluation process, with the total number of students who appeared for examinations over the last five years.

Recognizing the importance of a fair and transparent evaluation system, our institution places considerable emphasis on addressing student concerns and grievances. This analysis offers insights into the average percentage of complaints or grievances raised by students regarding the evaluation process, providing a metric to assess the effectiveness and fairness of our assessment procedures.

Our institution values the voice and feedback of our student body. This metric reflects our commitment to addressing and rectifying student grievances, ensuring an evaluation process that is not only accurate but also responsive to student concerns."
