Loni-413 736, Tal Rahata, Dist. Ahmednagar, Maharashtra (MS), INDIA

Summary sheet

Criteria 3-Research, Innovation and Extension

Key indicator- 3.6 Extension Activities

3.6.3 Number of awards and recognitions received for extension and outreach activities from Government / other recognized bodies during the last five years

University in its quest to provide “Health For ALL”, has been at the forefront in offering free health care services to the tribal and rural people of this region. University has undertaken extension and outreach activities to provide health care at the “DOOR STEP of the rural and tribal population, as health care stands to be the last priority to the underprivileged and marginal farmers of this region. During the Covid Pandemic, university established 100 bedded Covid Care and Isolation Hospital within a span of one week, offering free health care, food and diagnostic facilities to the tribal and rural people of Ahmednagar district. These efforts were widely appreciated by the government agencies, print and electronic media. Extension activities include free primary health care delivery through Rural and Urban health Centres, Multi-diagnostic camps, dental camps, health awareness events, Physiotherapy related rehabilitation services in the form of Cardiovascular, pulmonary, neurological, and community-based rehabilitations. The university as a part of its commitment towards the society, empowers “Differently Abled” people by offering jobs at the university & hospital. This commitment has been widely appreciated by non government organizations. These sincere efforts on the part of institution have been well recognized by the government and non-government organizations, local administrative bodies and local educational institutes. As a token of appreciation these bodies have given awards/letters/certificates of appreciation to the institutes and people who have rendered the services.
